Based on the assumption as I understood it, that the PEOPLE of the TEXAS republic were electing new officers to fill the seats of the officers of the republic (10th Congress) that vacated their offices on that dreadful day of 19th February 1846 when President Anson Jones said “The Republic of Texas is no more.” And put the Republic of Texas Government in abeyance (*Temporary inactivity, cessation, or suspension .:*) illegally. This election being held on 6th September 2005 thru out the Nation of Texas and seating a Lawful National Government for the first time in 160 years.

Please read the following *Archives* to verify what happened in 1845-46 during the 10th Congress... The Archives have NO connection with the present day RT government... President Anson Jones was in his *SECOND* year of his three year term when this happened.... being elected to the Presidency in September of 1844.

*Thank you,
Merle Laubach*
